SACE Stage 1 & Stage 2 Curriculum Guide

Further Enquiries:

- Please contact PASS on 8647 3300

SACE helps students develop the skills and knowledge they need to succeed – whether they are headed for further education, training, an apprenticeship, or straight into the workforce. PASS offers a range of Stage 1 and Stage 2 SACE subjects. Vocational Education (VET) certificates also contribute to SACE points.

All subjects in SACE Stage 1 & Stage 2 are subject to class numbers. Minimum numbers for classes apply.

In SACE Stage 1, many subjects can be undertaken over a full year in preparation for studying the subject in Stage 2. In general, Option A is offered in Semester 1 and option B is offered in Semester 2. Students can choose to do both Option A and Option B.

In SACE Stage 2, there may be different versions of the subject running in the same class. For instance, a Community Connections version of many subjects is available with reduced/ alternative assessment requirements.

The majority of subjects have links to information- a few glitches are currently being fixed.

- SACE Stage 1 – All Subjects
- SACE Stage 2 – All Subjects
- YES Stage 1 & 2 Subject List
- Vocational Education & Training (VET)

Students who successfully complete the requirements are awarded the SACE certificate.

- SACE Board VET in SACE website

There are many pathways to SACE. The following programs also provide a pathway to SACE as stand-alone programs and/or in conjunction with mainstream SACE subjects.

- Youth Engagement Strategy (YES)
-

Industry Pathways Program (IPP)

- South Australian Aboriginal Sports Training Academy (SAASTA)
