Who Is This Course For?

Ideal for students seeking to develop essential life skills for future success.

What Will I Learn?

You will gain practical experience and knowledge in essential life skills through hands-on activities and real-world applications. The course emphasises:

- Practical engagement with diverse topics
- Development of problem-solving and critical thinking skills
- Application of learned skills in various contexts
- Collaboration with peers on projects and activities

Potential topics include gardening, career exploration, technology and digital literacy, volunteering, hobbies, and car maintenance.

How will I be assessed?

Assessment for this course includes:

- Connections Assignment: Linking learned skills to real-life scenarios
- Practical Exploration Assessment: Applying skills through hands-on projects
- Personal Venture Assessment: Demonstrating progress in a personal project or interest
