Who Is This Course For?

Ideal for students seeking to develop advanced life skills necessary for independent living and future success.

What Will I Learn?

In this course, you will acquire practical knowledge and skills through hands-on activities and real-world applications. The course emphasizes:

- Practical engagement with essential life skills
- Development of problem-solving and critical thinking abilities
- Application of learned skills in various everyday contexts
- Collaboration with peers on projects and activities

Topics covered will include: banking, taxes, food shopping and cooking, laundry, basic home maintenance, and health and wellbeing.

How will I be assessed?

Assessment for this course includes:

- Connection Assignments: Linking learned skills to real-life scenarios
- Practical Exploration Assessments: Applying skills through hands-on projects
- Personal Venture Assessments: Demonstrating progress in a personal project or interest
