Who Is This Course For?

Stage 2 Tourism allows students to develop an understanding of the nature of tourists, tourism, and the tourism industry. They investigate local, national, and global tourism, and explore tourism as a business. Students gain an understanding of the complex economic, social, cultural and environmental impacts of tourism. Students consider the ever-changing nature of tourism and how it responds to challenges, opportunities, and realities such as globalisation, economic crises, security issues, environmental needs, world events, and technological developments. Students explore tourism as a business and its impact on the economy. Stage 2 Tourism requires sound literacy, analytical and communication skills, independent learning skills and strong organisational skills.
